

VOTE BY MAIL MADE EASY

Verity Central is a high-speed scanning solution for centralized vote capture

Managing by-mail ballots is simple with easy onscreen adjudication. Ballots scan accurately every time with a complete record of all resolution decisions captured in an audit log for end-to-end transparency.

FLEXIBLE. EFFICIENT. SCALABLE.

Choose the right number of scanners and workstations for your jurisdiction. Streamline workflows with the ability to scan without tabulating. Adjudicate on one workstation, scan on another.
